General layout

Medals and Trophies

The highlight of the Company Cup is the presentation of medals and trophies to companies and athletes, based on a number of criteria. For each sporting event and in each category, the top 3 finishers win an individual medal: Gold, Silver, Bronze.

For each sporting event, the top 8 finishers earn points for their company, which can then compete for the trophy in their division.

5 Divisions are established according to the number of registered employees:

- Division 1: 1 to 10 participants
- Division 2: 11 to 20 participants
- Division 3: 21 to 50 participants
- Division 4: 51 to 100 participants
- Division 5: over 100 participants

The **DIVISION CHAMPION** trophy is awarded to the company with the most points in its division.
1 winner per division.

The **STRONGER TOGETHER** trophy goes to the company registering the highest number of employees for the event.

The **MEDALS** trophy is awarded to the company that has won the most gold medals in all divisions.
In the event of a tie, the silver and bronze medals are taken into account. If two companies are still tied, the one with the fewest participants wins the trophy.

The **MOST FUN COMPANY** trophy rewards the most dynamic company during Company Cup.

Trophies will be awarded at the end of all sporting competitions on the event podium.

Medals will be awarded directly to each sport at the end of the finals.

Sports registration

www.company-cup.ch

PAYMENT BEFORE 06.01.2025:
159 CHF HT/PERSON

PAYMENT BEFORE 29.02.2025:
