

FAQ COMPANY CUP

1. What is Company Cup?

The largest inter-company multisport challenge in France, which brings together more than 5,400 participants in Annecy. In 2023, the Company Cup will be organized in the cities of Nyon for the third edition and Annecy for the tenth edition.

2. When does it take place?

Every year on the first weekend of July in Annecy, this year on 1 and 2 July 2023.

8 July 2023 in Nyon

3. Is there a minimum number of people required?

There is no minimum requirement! You can enter from 1 to as many people as you like, in one or more sports. You may not be represented in all sports, but you may have several people/teams in one sport. Please note that for the Dragon Boat a maximum of 2 boats per company is allowed, subject to availability.

4. Can I register an incomplete team?

When you enter teams in a team sport, it is essential that the teams are complete. The organisation itself does not form teams with several companies.

5. Can I register for more than one sport?

The only possible combinations of sports are the following for Annecy (1 sport per half day):

- Saturday morning: City trail OR Nordic Walking
- Saturday afternoon: Cycling AND/OR
- Sunday morning: Orienteering

For the other disciplines, a participant can only register for one sport, as it is played over the whole day.

6. Can my friends come and see me?

All events are free to enter, however we ask that all accompanying persons wear a "supporter" badge. You can collect this badge from your company if it has provided it or directly from the Village Info Point. Free entertainment for young and old will be provided during the event.

7. Can supporters participate in the Games party?

Yes, they can simply go directly to our online shop to buy their entry : www.company-cup.fr

8. Can we buy our Games Party ticket on site?

We advise you to buy your tickets in advance, as only 100 tickets will be available for sale during the day on Saturday, in the Company Cup Village. There will be no sales on site in the evening.

9. Where can we park?

Free parking for participants is available:

Annecy :

- L'Espace Rencontre : 39 Route de Thônes, 74940, Annecy-le-Vieux.
- Cimetière : Rue de la Frasse, 74940, Annecy-le-Vieux.
- I.U.T : 9 Rue de l'Arc en Ciel, 74940, Annecy-le-Vieux.

Nyon :

- Around the Colovray sports centre

Free shuttle buses will then take you to the event.

Under no circumstances should you park near the village or on the pavements, as this may block access for emergency services and the start/finish of the race.

10. Is a medical certificate required?

Annecy :

For the safety of the participants, it is essential that the participants present us with a medical certificate of "no contraindication to the practice of the chosen sport in competition" and dated less than one year before the day of the competition. **It is essential that the words "in competition" and the chosen sport are indicated. For example, a certificate of no contraindication to football in competition cannot be accepted if the person is registered for handball or trail running.**

We advise you to download and use our pre-filled certificate template to facilitate your registration: www.company-cup.fr (In order to anticipate a possible change of sport, only cross out the contraindicated sport(s)).

Nyon :

No medical certificate required.

11. Can a license replace a medical certificate?

A valid competition licence in the relevant federation can replace the medical certificate. Please note that football licences (as with other sports) are valid until 30 June, so we need the following year's licence to accept them. FSGT licences are not accepted as they are omnisport licences and not for a specific sport.

Check the validity dates of federal licences on our website www.company-cup.fr

12. What are the cancellation conditions?
